

PROMOTIONAL DISPLAYS

FLEXIBLE

GRAPHIC DISPLAYS

The Nimlok Promotional Display System meets a range of needs with an economical and practical modular approach. Whether you need one graphic display for a test market application, or multiple displays for a national campaign, Nimlok's numerous design options offer simple assembly, completely changeable graphics and messages, and reconfiguration options for future applications.

nimlok

DISPLAY AND EXHIBITION SOLUTIONS WORLDWIDE

PRODUCT DISPLAYS

Nimlok's rigid extrusion system creates the ideal product display. Our designers can also customize a solution for any product, whether you require one display or a hundred.

COMPUTER KIOSKS

An interactive information center is one of the best ways to keep current information in front of your customers. Graphics on these kiosks are also easily updated.

SHOWCASES

Elegant showcases can be finished in your choice of laminate or graphic panels, for a completely unique presentation.
